About us:

Charlton Primary is a 'Good', popular and oversubscribed school at the heart of the local community. Working closely together as a group of schools (the Vale Academy Trust) ensures that we continually seek to improve the educational experience for all our pupils.

As a teacher within the Vale Academy Trust you will have full access to extensive and supportive CPD training, and in addition will be well supported through a wide network of teachers and planned opportunities to share the experiences and expertise of colleagues across all the schools. Charlton, like all schools within the Trust, has a strong record of supporting and developing teachers throughout their career.

Feel free to arrange a visit and have the opportunity to talk to some of our staff (including Early Career Teachers) about working at Charlton.
