Can you create a Picasso-inspired piece of artwork that uses different perspectives?

In reading skills, we have been learning about different habitats. Create a poster based on one of these habitats (e.g gardens, hedgerows).

During our PSHE lessons, we will be looking towards the next school year. Can you design your perfect Year 4 classroom? Don't forget to add labels!

STEM (Science, Technology, Engineering and Maths)

Practise telling the time using an analogue clock (o'clock, half past, quarter past and quarter to).

Challenge - can you tell the time to five minutes (eg. five minutes past, ten minutes past, twenty minutes past)?

Research different bones in the human skeleton. Can you find the biggest? The smallest? Which one do you think is the most important and why? What about the least important?

Complete 3 rounds of 'Garage' mode and 3 rounds of 'Jamming' (9s and 7s) on TT Rockstars each day. Get a family member to quiz you on a timestable of your choice!

English Focus

Write a recount about our trip on Monday to the Earth Trust. Can you include time adverbials and expanded noun phrases?

Research the differences between the Stone Age and now (focus on clothes, home and heating) so you are ready for our writing next week.

Create a den in your bedroom (or somewhere else at home). Choose a book, or ask an adult at home to share one with you- where will your reading adventure take you today?

Skills and Experiences

With an adult, can you create a healthy sandwich or salad to enjoy for lunch? Remember to include a healthy balance of ingredients. Take a picture of it and send it to the office!

Help with a household job, such as laying the table, tidying a room or unloading the dishwasher.

Design and create something that solves a problem at home, such as a machine that tidies your room for you or a clever way to organise your belongings.
