

## Focused Homework Tasks

Year 3 Homework is set on a Wednesday to be completed for the following Monday. Not all pieces of homework may need to be physically returned but please use your Home Learning books to record as you wish. You should choose one focused task a week.

## R.E.

Can you design a poster to show what your rules are at home?

## French

Les couleurs - can you draw a rainbow and label the colours in French? You could practice saying colours in French by saying the colours of objects around your house or asking friends and family what their favourite colour is.

## Computing

Have a go at these reasoning puzzles — there are lots of questions, so perhaps have a go at the first 10 and see how you go!) These help with your problem solving skills.  
<https://www.educationquizzes.com/11-plus/non-verbal-reasoning/complete-the-series-1/>

## English

Can you write some instructions for everyday tasks?  
\*How to make a sandwich  
\*How to play Snakes and Ladders  
\*How to make a cup of tea  
Or....an idea of your own :)

## Science

Research:  
How many bones are in the human body? What types of skeletons are there? What other skeleton facts can you find?  
[How does the human skeleton work?](#)  
- [BBC Bitesize](#)

## Geography

The UK - What countries are in the UK? Can you learn these by heart? How about their capital cities?  
  
We are looking at addresses and regions—can you find out your address and learn it off by heart? Remember this is personal information so you need to be careful with sharing it.

## PSHE

**Think about your dreams and ambitions.** What would you like to be when you grow up?  
What would you like to achieve in 2022?  
What will you need to do to work towards your future goals?  
Choose how to present your information—a poem, a poster, a paragraph.

## Art

Design your own Rangoli patterns using what ever medium you would like e.g. paint, chalk, coloured sand, collage...

## Three times per week

Times table fluency using these tools:

- ◇ Times Tables Rock Stars (TTRS) - see separate letters with your usernames and passwords.
- ◇ Sing along using these cover songs from [Mr Yeo's Maths Mastery youtube channel](#)
- ◇ Make a hop scotch grid like in this video: <https://www.youtube.com/watch?v=Yf-vd11lettE>
- ◇ **Any activity from our toolkit on the school website: <https://charltonprimary.com/>**
