#### **Our aims**

We aim to provide a high-quality service which meets the needs of both parents and children. For parents, this means knowing that your child is safe and happy in a service that is reliable and offers a consistent service. For a child, this means an environment that is safe, supportive, encouraging, nurturing, a place to be with friends and make new ones, try out new activities, to relax, to have fun and enjoy before and after school.

Parents are expected to give their support and encouragement to the aims and values of Charlton Primary Before and After School Club and to uphold and promote its good name.
