Agenda point 1:	
<p>Mrs Campbell explained that as part of our work towards the silver Rights Respecting Schools award, we want to make sure that children have the opportunity to share their thoughts about issues that are important and that respect is shown for this.</p> <p>Mrs Campbell told us about the number of children who have received certificates since we relaunched 'Success Ladder'. Mrs Campbell invited the councillors to share their thoughts on how they think 'Success Ladder' has been going in their classes.</p> <p>Mrs Campbell explained that two children have already achieved Gold and there was a discussion about how these children should be recognized and their next opportunity for achieving success.</p>	<p><i>Actions:</i></p> <p>Councillors to share the graph which shows which classes have earned the most Merits and therefore certificates.</p> <p>Councillors to ask classes for feedback on Success Ladder.</p> <p>Councillors to discuss with their class how children achieving gold could be recognized and their next opportunity to achieve success.</p>
Agenda point 2:	
<p>Mrs Garbutt has become aware that school recycling is not as good as it can be and would like to work together with a group of councillors to investigate how much we do recycle, how much more we could recycle and be change makers.</p>	<p><i>Actions:</i></p> <p>Councillors to speak to Mrs Garbutt if they would be interested in being part of a project to improve our recycling at school.</p>
Agenda point 3:	
<p>Mr Rose has asked us to think about our school values. Be happy is more of an outcome than a value and perhaps we could have something which is a value instead.</p>	<p><i>Actions:</i></p> <p>Councillors to share the information about values and ask classes for suggestion linking to this.</p>

Mrs Garbutt is keen for us to make more links to our rights as well. Perhaps this is a good opportunity to make a link between our rights and our values...	
Agenda point 4:	
Delilah to lead this. Many children would like to have some jobs to carry out at lunch time.	<i>Actions:</i> Councillors to ask classes for suggestions of jobs which they would be interested in carrying out at lunchtime.
Agenda point 5:	
Lexie and Finlay met with the VAT Pupil Parliament on Monday. A collaborative project for all schools to be part of is planned. Pupil Parliament reps were asked to make suggestions about what this could be. Jessie, a Y13 pupil, and Mrs Youngman I took the top three ideas to the full parliament, and although they loved them all, the one that the Parliament liked most, was the idea of an 'International Celebration Day' - 'Your school, your town, your world' (name TBC as still needs some tweaking!)	Councillors to share this information with classes and ask for any ideas/activities linked to this title
Is there anything else which anyone wants to discuss? No	
When and where will the next meeting be? Thursday 20 th of January at 1:30pm artroom
