Introduction

Welcome to **Charlton Primary School,** a school within the Cambrian Learning Trust.

At our school, it is our vision to be an exceptional school where children flourish.

We know that successful partnership working with parents / carers will make a positive impact on children's learning. To this end, we outline below what we will endeavour to offer as a school, what we ask of you as parents / carers and of course what we ask of our learners. We ask that you read this through together at home and talk about everyone's responsibilities so that we can work in the same direction, with positive attitudes, for the best outcomes.

The School

The school will:

- Provide a safe, friendly and happy environment.
- Live the school values.
- Provide a high quality, stimulating and appropriate curriculum for pupils.
- Support pupils to ensure they make good progress in their learning.
- Encourage children to do their best by praising their achievements.
- Give a high priority to positive behaviour by setting high standards and supporting pupils to achieve them.
- Support children's social, moral and spiritual development through a curriculum which has values embedded.
- Provide a range of extra-curricular opportunities.
- Encourage children to take care of their school and community environment.
- Work alongside and inform parents of their children's learning and progress at regular intervals.
- Facilitate a smooth transition through the phases of education.
- Encourage children to show friendship and respect for others.

Parents/Carers

Parents and Carers are encouraged to:

- Support the positive attendance of their child, ensuring that their child attends school during term time unless they are medically unfit.
- Talk positively with their child about their learning in school
- Share books with their child as often as possible
- Attend meetings at school e.g. Parent - teacher meetings / curriculum information sessions whenever possible.
- Show support for school community events when possible.
- Support their child to attend in school uniform and bring the correct equipment (PE kit).
- Ensure their child gets to school on time.
- Inform the school of any circumstances which may affect their child in school.
- Keep the school informed of collection arrangements for their child and up-to-date contact arrangements in the event of illness or emergencies.
- Contact the school to discuss any queries or concerns.
- Support all school policies including the use of Mobile Phones

Pupils

Pupils will:

- Uphold the school's values.
- Follow the school rules and code of conduct.
- Do what adults at the school reasonably ask.
- Make good choices in their behaviour and support others to do the same.
- Care for their own and other people's property, including that belonging to the school.
- Behave respectfully towards other children.
- Wear their school uniform smartly.
- Come to school well prepared for all activities.
- Come to school ready and willing to learn.
- Work hard in their learning and strive do their best.
- Complete homework tasks set.
- Follow the school Mobile Phone Policy
